AGENTS**

## COMMISSION TIERS

As a Financial Coach here at Dragon Financial, you will receive a generous compensation throughout your career. Our agency is designed to help professionals increase their income and enjoy not only a captive audience within the school system by utilizing the K-12 marketplace as a lead generation tool, but also have the ability to partner with the public sector, assisting with their financial needs and becoming a valuable resource. Leveraging our various partners to help build your business, our agents are poised for success!

The level milestones included here have been created to provide ways to increase earning potential and growth opportunities.
